Offerings

Children's Ballet Classes, ages 3-8

This class introduces the student to age-appropriate ballet technique, musicality, and vocabulary. "Story Time" is incorporated into each class where students are introduced to the great classical ballets and to the history of ballet.

Dance Together, ages 2-3 & Dance Together, ages 18-24 months

These classes for very young children and their caregivers weave together elements of movement, dance, and imaginary play in a child-centered environment. Story-telling, songs, movement games, nursery rhymes, and music shape children's dance and creative movement experiences. Through guided exploration, children also have the opportunity to relate to others and to begin to learn the skills of participating in a dance class.

Ballet Workshop, ages 3.5-8

This afternoon workshop offers two hours of classes per day, five days a week. Classes include alternating days of ballet, ballet history & story time, music, and "costume shop" crafts such as creating tiaras, headpieces, and fairy wands. Students may register week by week throughout the summer.

BALLET INTENSIVES, ages 7 and older

The Summer Intensive offers three hours of training per day, five days a week, and is an outstanding opportunity to rapidly improve a student's fluency in ballet. The training includes daily ballet technique class, and alternating days of modern dance, floor barre, ballet history, drama, choreography and composition.

Please contact Ms. Easterling at 917-281-1030 or at mseasterling@theballetclub.com for placement and further information.
